**ROXBOROUGH VILLAGE METROPOLITAN DISTRICT
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized on July 10, 1985, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's operates under a Service Plan approved by Douglas County on July 24, 1985. The District's service area is located in Douglas County, Colorado. The District was established to provide irrigation, drainage and storm facilities, street improvements, park and recreational facilities.

On September 3, 1985, the District's voters authorized total indebtedness of \$12,000,000 for the above listed facilities and powers. The authorization provided that the bonds would be subject to a maximum net interest rate of 15% per annum. At a special election on December 30, 1992, the District's voters authorized an additional \$14,000,000 at an interest rate not to exceed 10.6% per annum. The authorization provided that the bonds would be subject to a minimum mill levy for property taxes which increases from 16.0 mills in 1993 to 39.5 mills in 2005 through 2042 adjusted for changes in the State mandated assessment procedures and the levy must be sufficient to generate a minimum revenue as stated in the ballot question. On November 2, 2004, the District's voters authorized additional indebtedness in an amount not to exceed \$10,500,000 at an interest rate not to exceed 7% per annum. At December 31, 2020 the District had authorized but unissued indebtedness of \$475,000 for the purpose of debt refunding.

The budget is in accordance with the TABOR Amendment limitations, which were modified by the voters in an election held on November 6, 2001. District voters approved authorization for the District to retain and spend District revenues, from any lawful source, in excess of the spending, revenue raising, or other limitations in Article X, Section 20 of the Colorado constitution. Emergency reserves required under TABOR have been provided.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.
